

Program Title (Core Hybrid Online)

Sandtray Play Therapy: Level 5 – Couples, Family and Group

Online & In-Person Interactive

Description

This Level 5 is being offered as a hybrid training for both in-person and online participants. Applying methods of group play therapy, participants in this 2-day training will learn how to facilitate sand tray play therapy with couples, families, and larger focus groups. Participants at the live site in Corrales, New Mexico will be using various sizes of trays, including miniature trays, individual trays, and a large 5-foot circular tray to explore a range of possibilities for group facilitation. Online participants will provide their own individual tray(s) and miniature collections at their local sites. Online participants will be able to view the group demonstration (large group tray) that will be done at the Corrales site. Interaction between online and in-person trainees will be possible and encouraged. All participants will have opportunities to experience both formal and informal processes for using sand tray play with groups. Integrating skills learned in previous training levels, therapists will learn how to balance individual with community needs within the group space. There will be a particular focus on how clinicians may utilize the polyvagal concept of connection versus protection for group facilitation. Participants who attend the training at the Corrales site will not need to provide any sandtray equipment. If possible, it would be helpful if in-person attendees could bring laptops and/or cell phones to help facilitate communication between on-site and online participants. The group is limited in size to support our intention to provide in-depth experiential training.

The Sand Tray Training Institute of New Mexico is approved by the following to offer continuing education credits: The National Board for Certified Counselors, NBCC (#5972); the **Texas State Board of Social Work Examiners** (#CS5455). The **New Mexico Board of Social Work Examiners** accepts continuing education as being Board approved if approved by other state social work boards in the United States (The Institute is approved by Texas). In addition, it is approved by the **Association for Play Therapy**, APT Approved Provider (99-052), to offer continuing education specific to play therapy. The Sand Tray Training Institute of New Mexico follows all CE guidelines and maintains responsibility for the program. All courses meet the qualifications for 6 contact hours of continuing education credit per 1 full day of training.

Association for Play (APT) Therapy Policy for Online Training

APT considers all online training as non-contact CEs except for their COVID-19 policy now in effect through June 30, 2022. Please check with the APT for further updates after June 30, 2022. The following statement (adjusted for actual number of CEs) will appear on all certificates of training for online classes while this policy is in effect.

Due to COVID-19 health concerns, this one-time online event has been approved by APT for (___ hours) CONTACT CE Hours.

The APT offers a Registered Play Therapy (RPT) credential that has its own set of specific requirements. Although we are an approved provider, we do not organize our curriculum around those specific requirements, for example so many hours in play therapy history, theory, skill practice, and so on. We cannot verify how the APT counts these hours in their credentialing. Please check with your supervisor and/or the APT to check with them how they would interpret our objectives and descriptions in terms of the specifics required.

You need to attend the entire training sessions to receive credit. Partial credits cannot be given. In cases of family or other unavoidable emergencies that interrupt your attendance for a short time, makeup possibilities for time missed may incur a fee based on our hourly consultation rate.

Registration fees are refundable (less \$50.00 administrative fee & any credit card fees) if written notice is post-marked no later than 30 days before the training begins. Refunds require a minimum 6-week processing time. Registrants may transfer/sell their enrollment to another qualified person at any time. Transfer fee is \$50.00.

The Sand Tray Training Institute reserves the right to cancel a workshop due to insufficient enrollment, inclement weather, instructor illness, instructor family emergency, or some other unforeseen event. Makeup Policy

Certificates can be awarded only when the training is attended in full. In case of medical or family issues, makeup work may be arranged on an individual basis at an hourly consultation rate.
