

Program Title (Core Hybrid Online)

Sandtray Play Therapy: Level 8 – Developmental Considerations with Children (Early Childhood & Latency)

Online & In-Person Interactive

Description

This Level 8 is being offered as a hybrid training for both in-person and online participants. Participants will explore in this 2-day training how early childhood and latency patterns of sandtray play appear not only in the very young but also in latency-age children and even adults. There will be experiential exercises, brief lectures, and discussion to help participants learn how to identify and support the growing edge of young children, older children, and adults when these early patterns emerge at their growing edges. It also provides a focus for how sandtray play therapy collaborates with the brain in its push toward integration throughout the lifespan. Participants will have opportunities to identify and discuss these patterns of play therapy in terms of the developmental life span.

Training Dates: Please check website – “Training Schedule” – for current dates.

Backup Plan in Case of Internet Outage for Online Participants: In the event of internet connectivity problems at the host site, the morning following the last day of the training will be used to fulfill any lost contact hours. We have had very few problems with internet provider connectivity, but it has happened, and so we request that you tentatively reserve the morning following Day 2 for possible makeup time. This makeup day is for the entire group, not for individuals to do makeup for missed hours. Please see our [Makeup Policy](#) for further details of this policy regarding missed hours. Full attendance is required for certificates.

Prerequisites: Levels 1 & 2; graduate degree in mental health or enrolled in a graduate degree program.

Continuing Education: 12 contact hours/2 full days; the Association for Play Therapy (APT) designates interactive online learning as non-contact hours. The APT has stipulated that a maximum of 75 hours of non-contact “live webinars” training may be used for their application process. This Level 8 training, if taken online, meets the APT requirement for a “live webinar.” See CE section below for more details.

Educational Goals

This training will help participants to:

1. Identify skills in facilitating sandtray play across the life span.
2. Describe pre-school and latency-age patterns of sandtray play.
3. Explain how pre-school and latency-age patterns arise in clients of all ages during sandtray play therapy.
4. Describe sandtray play therapy facilitation skills with latency-age children.
5. List ideas for recognizing journey elements of sandtray play therapy.
6. Describe sensory and emotional experiences evoked by hands-on experiences during the training.
7. Identify transformation themes in sandtray play therapy.

Presenter: Theresa Kestly, PhD, RPT-S Psychologist

Location

Sand Tray Training Institute (Online ZOOM Platform & In-Person Attendance)
294 Mission Valley Road
Corrales, NM 87048

Requirements for Hybrid Level 8

In-Person: Participants at the Corrales location will need to show proof of COVID vaccination and testing within a specified timeframe for the training. See COVID Vaccine Policy.

Online: Participants will be using the ZOOM platform for the training. Participants need to leave their videos on for the entire training (for purposes of attendance and to facilitate group cohesion). Cell phones are not suitable since you are not able to view other participants or the demonstrations that will be done in the live training room. We request that you do not use virtual backgrounds during the training as they are usually unstable for constant viewing by other participants.

Participants will need some basic ZOOM skills:

1. Switching between gallery view and speaker view.

Continuing Education Credits

In this 2-day training participants will earn 12 CE contact hours (see APT exception) verified with a Certificate of Training. Following is a list of organizations that have approved our training for continuing education requirements.

The Sand Tray Training Institute of New Mexico is approved by the following to offer continuing education credits: The National Board for Certified Counselors, NBCC

Sand Tray Training Institute of NM

PO Box 800 ♦ Corrales, NM 87048 ♦ (505) 720-1177 ♦ sandtraynm@gmail.com ♦ www.sandtraytraining.com

(#5972); the **Texas State Board of Social Work Examiners** (#CS5455). The **New Mexico Board of Social Work Examiners** accepts continuing education as being Board approved if approved by other state social work boards in the United States (The Institute is approved by Texas). In addition, it is approved by the **Association for Play Therapy**, APT Approved Provider (99-052), to offer continuing education specific to play therapy. The Sand Tray Training Institute of New Mexico follows all CE guidelines and maintains responsibility for the program. All courses meet the qualifications for 6 contact hours of continuing education credit per 1 full day of training (see APT exception).

APT Policy for Contact / Non-Contact Hours: APT considers all online training as non-contact CEs. APT has updated their policy as of July 1, 2022, to stipulate that for purposes of application, a maximum of 75 hours of “live webinar” training may be used to meet the 150-hour requirement. Our hybrid trainings meet the APT requirement for a “live webinar” for our online participants. Please check APT Credentialing Standards, especially standards 06 and 08, for detailed information on continuing education requirements for credentialed play therapists. This document is available on their website, www.a4pt.org. The following statement will appear on certificates of online training participants.

This workshop meets APT’s definition of a “live Webinar.”

The APT offers a Registered Play Therapy (RPT) credential that has its own set of specific requirements. Although we are an approved provider, we do not organize our curriculum around those specific requirements, for example, so many hours in play therapy history, theory, skill practice, and so on. We cannot verify how the APT counts these hours in their credentialing. Please check with your supervisor and/or the APT to check with them how they would interpret our objectives and descriptions in terms of the specifics required.

Co-Sponsor Changes for Psychologists: We want to sincerely thank Risë VanFleet for being our co-sponsor for many years to cover CEs for psychologists. Recently she informed us that she will be focusing her work on her Filial Therapy and Animal Assisted Play Therapy®, and in so doing, she will no longer continue offering co-sponsorships. I have taken one of her Filial Therapy classes and read her book, *Animal Assisted Play Therapy*. I can enthusiastically recommend both, and I believe her work in both areas has contributed greatly to the field of play therapy. I wish her well in all her future endeavors. Thank you, Risë.

Searching for a Co-Sponsor: We will welcome any suggestions if you know someone who would be willing to co-sponsor our trainings for psychologists. Please contact us.

Checking Your Personal CE Requirements

It is always a good idea to check with your own credentialing agencies (state boards, affiliated agencies, etc.) to ensure that the CE credits you receive from us are applicable to your specific situation. You need to attend the entire training sessions to receive credit. Partial credits cannot be given. In cases of family or other unavoidable emergencies that interrupt your attendance for a short time, makeup possibilities for time missed may incur a fee based on our hourly consultation rate.

Cancellation and Refund Policy

Registration fees are refundable (less \$50.00 administrative fee & any credit card fees) if written notice is post-marked no later than 30 days before the training begins. Refunds require a minimum 6-week processing time. Registrants may transfer/sell their enrollment to another qualified person at any time. Transfer fee is \$50.00.

The Sand Tray Training Institute reserves the right to cancel a workshop due to insufficient enrollment, inclement weather, instructor illness, instructor family emergency, or some other unforeseen event. Notice will be provided at the earliest possible date via email with the option to reschedule for a future training date or to receive a full refund of paid workshop fees.

Makeup Policy

Certificates can be awarded only when the training is attended in full. In case of medical or family issues, makeup work may be arranged on an individual basis at our hourly consultation rate. The requirement for full attendance is a policy issued by the CE organizations that approve our trainings for continuing education credits.

COVID Vaccine Requirements for In-Person Participants: Verification of a full COVID vaccine protocol (Moderna, Pfizer, or Johnson) will be required to attend the training at the Corrales location. We cannot make exceptions to this policy. Masks will not be required. Our institution reserves the right to cancel the on-site training if the State of New Mexico determines that it is not safe to meet in groups due to an increase in COVID cases or if a new variant arises. If we cancel the training, only the full paid tuition will be refunded. We are not able to cover travel and lodging expenses. This policy is subject to change based on new information provided by the CDC or the State of New Mexico.
