## Program Title:

# Sand Tray Play Therapy: Sand & SoulCollage® Online Interactive

## Description

This 3-part workshop (4 hours of online instruction each day) will provide a total of 12 contact hours of play therapy. It will also meet the requirements of a Level 1 SoulCollage® training sponsored by Theresa Kestly. Participants will have opportunities to create collages using traditional SoulCollage® materials as a way of exploring how image processing helps to heal trauma, grief, and anxiety in play therapy. Participants will explore the potential for integrating sandtray therapy and SoulCollage® activities as another avenue for relational processing that supports the development of a flexible nervous system leading to a more joyful and fulfilled life.

**Training Dates: Please check website – “Training Schedule” – for current dates.**

**Backup Plan in Case of Internet Outage:** In the event of internet connectivity problems at the host site, the morning following the last day of the training will be used to fulfill any lost contact hours. We have had very few problems with internet provider connectivity, but it has happened, and so we request that you tentatively reserve the morning date after Part C for possible makeup time. This makeup day is for the entire group, not for individuals to do makeup for missed hours. Please see our [Makeup Policy](#) for further details of this policy regarding missed hours. Full attendance is required to receive a certificate.

**Prerequisites:** Graduate degree in mental health or enrolled in a graduate degree program. Prior knowledge or experience with the sandtray process is helpful but not required.

**Continuing Education:** 12 contact hours/3 half days; the Association for Play Therapy (APT) designates interactive online learning as non-contact hours. The APT has stipulated that a maximum of 75 hours of non-contact “live webinars” training may be used for their application process. This training, if taken online, meets the APT requirement for a “live webinar.” See CE section below for more details.

maintains responsibility for the program. All courses meet the qualifications for 4 contact hours of continuing education credit per 1 half day of training (see APT exception).

**APT Policy for Contact / Non-Contact Hours:** APT considers all online training as non-contact CEs. APT has updated their policy as of July 1, 2022, to stipulate that for purposes of application, a maximum of 75 hours of “live webinar” training may be used to meet the 150-hour requirement. Our online trainings meet the APT requirement for a “live webinar.” Please check APT Credentialing Standards, especially standards 06 and 08, for detailed information on continuing education requirements for credentialed play therapists. This document is available on their website, [www.a4pt.org](http://www.a4pt.org). The following statement will appear on certificates of online training participants.

*This workshop meets APT’s definition of a “live Webinar.”*

The APT offers a Registered Play Therapy (RPT) credential that has its own set of specific requirements. Although we are an approved provider, we do not organize our curriculum around those specific requirements, for example, so many hours in play therapy history, theory, skill practice, and so on. We cannot verify how the APT counts these hours in their credentialing. Please check with your supervisor and/or the APT to check with them how they would interpret our objectives and descriptions in terms of the specifics required.

**Co-Sponsor Changes for Psychologists:** We want to sincerely thank Risë VanFleet for being our co-sponsor for many years to cover CEs for psychologists. Recently she informed us that she will be focusing her work on her Filial Therapy and Animal Assisted Play Therapy®, and in so doing, she will no longer continue offering co-sponsorships. I have taken one of her Filial Therapy classes and read her book, *Animal Assisted Play Therapy*. I can enthusiastically recommend both, and I believe her work in both areas has contributed greatly to the field of play therapy. I wish her well in all her future endeavors. Thank you, Risë.

**Searching for a Co-Sponsor:** We will welcome any suggestions if you know someone who would be willing to co-sponsor our trainings for psychologists. Please contact us.

## Checking Your Personal CE Requirements

It is always a good idea to check with your own credentialing agencies (state boards, affiliated agencies, etc.) to ensure that the CE credits you receive from us are applicable to your specific situation. You need to attend the entire training sessions to receive credit. Partial credits cannot be given. In cases of family or other unavoidable emergencies that interrupt your attendance for a short time, makeup possibilities for time missed may incur a fee based on our hourly consultation rate.
