

Program Title (Core In-Person)

Sandtray Play Therapy: Level 10 – Capstone – Integrating All Levels of Sandtray Therapy (24 CEs)

In-Person

Description

The intention for this final workshop of the core curriculum is to create a culminating and integrating experience that will serve both as a completion of a skill set and an opening to a deeper level of practice. It draws from all the previous levels of training and from each practitioner’s expertise to refine and integrate the basic knowledge and skills of sand tray clinical practice. Participants will explore clinical case material using the science of interpersonal neurobiology, the knowledge of symbolic language, and clinical experience. They also will have opportunities to demonstrate their clinical skills and to provide effective feedback to colleagues for the purpose of ongoing skill development.

Co-Sponsor Changes for Psychologists: We want to sincerely thank Risë VanFleet for being our co-sponsor for many years to cover CEs for psychologists. Recently she informed us that she will be focusing her work on her Filial Therapy and Animal Assisted Play Therapy®, and in so doing, she will no longer continue offering co-sponsorships. I have taken one of her Filial Therapy classes and read her book, *Animal Assisted Play Therapy*. I can enthusiastically recommend both, and I believe her work in both areas has contributed greatly to the field of play therapy. I wish her well in all her future endeavors. Thank you, Risë.

Searching for a Co-Sponsor: We will welcome any suggestions if you know someone who would be willing to co-sponsor our trainings for psychologists. Please contact us.

You need to attend the entire training sessions to receive credit. Partial credits cannot be given. In cases of family or other unavoidable emergencies that interrupt your attendance for a short time, makeup possibilities for time missed may incur a fee based on our hourly consultation rate.

Registration fees are refundable (less \$50.00 administrative fee & any credit card fees) if written notice is post-marked no later than 30 days before the training begins. Refunds require a minimum 6-week processing time. Registrants may transfer/sell their enrollment to another qualified person at any time. Transfer fee is \$50.00.

The Sand Tray Training Institute reserves the right to cancel a workshop due to insufficient enrollment, inclement weather, instructor illness, instructor family emergency, or some other unforeseen event. Notice will be provided as soon as possible via email with the option to reschedule for a future training date or to receive a full refund of paid workshop fees. Travel and lodging cannot be covered by our institution.

Makeup Policy

Certificates can be awarded only when the training is attended in full. In case of medical or family emergencies, makeup work may be arranged on an individual basis at an hourly consultation rate.
