

Program Title (Core Online)

**Sandtray Play Therapy: Level 9 – Developmental Considerations with Adolescents and Adults
Online Interactive**

Description

Using both didactic and hands-on experiences, participants in this 3-part workshop will explore the impact of play therapy on both the emotional and physical health of adolescents and adults. We will draw from the polyvagal theory of play and the template of the hero's journey to explore themes that often arise during sandtray play therapy. Participants will have opportunities to look through a developmental lens at play as it emerges in the sandtray. We also will review issues of transference and co-transference that impact treatment outcomes with adolescents and adults. This training includes skill practice with workshop partners.

Training Dates: Please check website – “Training Schedule” – for current dates.

Backup Plan in Case of Internet Outage: In the event of internet connectivity problems at the host site, the morning following the last day of the training will be used to fulfill any lost contact hours. We have had very few problems with internet provider connectivity, but it has happened, and so we request that you tentatively reserve the morning date after Part C for possible makeup time. This makeup day is for the entire group, not for individuals to do makeup for missed hours. Please see our [Makeup Policy](#) for further details of this policy regarding missed hours. Full attendance is required for certificates.

Prerequisites: Levels 1, 2, 3, 4, & 8; graduate degree in mental health or enrolled in a graduate degree program.

Continuing Education: 12 contact hours/3 half days; the Association for Play Therapy (APT) designates interactive online learning as non-contact hours. The APT has stipulated that a maximum of 75 hours of non-contact “live webinars” training may be used for their application process. This Level 9 training, if taken online, meets the APT requirement for a “live webinar.” See CE section below for more details.

Fees

Professional Early	\$305 (Postmarked 30 days in advance)
Professional Regular	\$325
Student Early	\$285 (Postmarked 30 days in advance)
Student Regular	\$305

Sand Tray Training Institute of NM

PO Box 800 ♦ Corrales, NM 87048 ♦ (505) 720-1177 ♦ sandtraynm@gmail.com ♦ www.sandtraytraining.com

Note: Although tuition fees include a certificate of training, there is a fee for replacement certificates.

Equipment Needed for Online Participation: Unlike our “live classroom” in Corrales, NM, our online training requires that you have some basic equipment at your location. Please request details: sandtraynm@gmail.com or 505-720-1177. There is a link on our website for this description of equipment: www.sandtraytraining.com

Educational Goals

This training will help participants to:

1. Identify skills in facilitating sandtray play therapy with adolescents and adults.
2. Describe an overview of developmental stages as they appear throughout the lifespan (early childhood, latency, adolescent, adult) in sandtray play therapy.
3. Explain the differences and similarities between adolescent and adult sandtray play therapy.
4. Discuss the value of play in strengthening vagal tone and physical health in adolescents and adults.
5. Discuss how play spans the 3 branches of the nervous system through positive emotions.
6. Identify the elements of the hero’s journey in sandtray play therapy in both adolescents and adults.
7. Explain why face-to-face engagement is crucial for play in terms of the polyvagal theory.

Presenter: Theresa Kestly, PhD, RPT-S Psychologist

Demonstration Discussion & Clinical Applications Review & Questions

*Schedule may vary at the discretion of the presenter due to curriculum updates and participant processing.

Continuing Education Credits

In this 3-part training participants will earn 12 CE contact hours verified with a Certificate of Training. Following is a list of organizations that have approved our training for continuing education requirements.

The Sand Tray Training Institute of New Mexico is approved by the **National Board for Certified Counselors, NBCC** as an Approved Continuing Education Provider, ACEP No. 5972. Programs that do not qualify for NBCC credit are clearly identified. The Sand Tray Training Institute is solely responsible for all aspects of the program. The **New Mexico Board of Social Work** Examiners accepts all continuing education credits that are approved by NBCC. In addition, the Institute is approved by the Association for Play Therapy, APT Approved Provider #99-052, to offer continuing education specific to play therapy. The Sand Tray Training Institute of New Mexico follows all CE guidelines and maintains responsibility for the program. The **Association for Play Therapy** accepts online training only as non-contact continuing education hours. It is always a good idea to check with your own credentialing agencies (for example, state boards, affiliated agencies) to ensure that the CE credits you receive from us are applicable to your specific situation. All courses meet the qualifications for 4 contact hours of continuing education credit per 1 half day of training (see APT exception).

APT Policy for Contact / Non-Contact Hours: APT considers all online training as non-contact CEs. APT has updated their policy as of July 1, 2022, to stipulate that for purposes of application, a maximum of 75 hours of “live webinar” training may be used to meet the 150-hour requirement. Our hybrid trainings meet the APT requirement for a “live webinar” for our online participants. Please check APT Credentialing Standards, especially standards 06 and 08, for detailed information on continuing education requirements for credentialed play therapists. This document is available on their website, www.a4pt.org. The following statement will appear on certificates of online training participants.

This workshop meets APT’s definition of a “live Webinar.”

The APT offers a Registered Play Therapy (RPT) credential that has its own set of specific requirements. Although we are an approved provider, we do not organize our curriculum around those specific requirements, for example, so many hours in play therapy history, theory, skill practice, and so on. We cannot verify how the APT counts these hours in their credentialing. Please check with your supervisor and/or the APT to

Sand Tray Training Institute of NM

PO Box 800 ♦ Corrales, NM 87048 ♦ (505) 720-1177 ♦ sandtraynm@gmail.com ♦ www.sandtraytraining.com

check with them how they would interpret our objectives and descriptions in terms of the specifics required.

Co-Sponsor Changes for Psychologists: We want to sincerely thank Risë VanFleet for being our co-sponsor for many years to cover CEs for psychologists. Recently she informed us that she will be focusing her work on her Filial Therapy and Animal Assisted Play Therapy®, and in so doing, she will no longer continue offering co-sponsorships. I have taken one of her Filial Therapy classes and read her book, *Animal Assisted Play Therapy*. I can enthusiastically recommend both, and I believe her work in both areas has contributed greatly to the field of play therapy. I wish her well in all her future endeavors. Thank you, Risë.

Searching for a Co-Sponsor: We will welcome any suggestions if you know someone who would be willing to co-sponsor our trainings for psychologists. Please contact us.

Checking Your Personal CE Requirements

It is always a good idea to check with your own credentialing agencies (state boards, affiliated agencies, etc.) to ensure that the CE credits you receive from us are applicable to your specific situation. You need to attend the entire training sessions to receive credit. Partial credits cannot be given. In cases of family or other unavoidable emergencies that interrupt your attendance for a short time, makeup possibilities for time missed may incur a fee based on our hourly consultation rate.

Cancellation and Refund Policy

Registration fees are refundable (less \$50.00 administrative fee & any credit card fees) if written notice is post-marked no later than 30 days before the training begins. Refunds require a minimum 6-week processing time. Registrants may transfer/sell their enrollment to another qualified person at any time. Transfer fee is \$50.00.

The Sand Tray Training Institute reserves the right to cancel a workshop due to insufficient enrollment, inclement weather, instructor illness, instructor family emergency, or some other unforeseen event. Notice will be provided at the earliest possible date via email with the option to reschedule for a future training date or to receive a full refund of paid workshop fees.

Makeup Policy

Certificates can be awarded only when the training is attended in full. In case of medical or family issues, makeup work may be arranged on an individual basis at an hourly consultation rate. The requirement for full attendance is a policy issued by the CE organizations that approve our trainings for continuing education credits.

Presenter Information

Theresa Kestly, PhD, RPT-S is a psychologist, educator, consultant, and a registered play therapist/supervisor with the Association for Play Therapy. She is an international presenter, and she maintains a private practice with specialties in play therapy and sandtray therapy in Corrales, New Mexico for children, adults, families, couples, and small groups. Theresa served as a senior staff psychologist at the Albuquerque Family and Child Guidance Center in Albuquerque, New Mexico where she specialized in child, adolescent and family therapy, consultations with the Indian Health Service, and consultations with the Albuquerque Public Schools. She supervised psychology, counseling, and psychiatry trainees as an adjunct faculty member at the University of New Mexico. Theresa served as the first president of the New Mexico Association for Play Therapy. She is the founder and director of the Sand Tray Training Institute of New Mexico in Corrales, New Mexico where she provides large-group seminars and small-group intensive training for psychotherapists in child and adult sandtray therapy. Theresa is author of *The Interpersonal Neurobiology of Play: Brain-Building Interventions for Emotional Well-Being* (Norton Interpersonal Neurobiology series).
