## Online Interactive

### Description

The focus of this 6-part workshop is on integration of various play modalities in therapeutic settings, including sandtray play, puppets, games, art, and storytelling play. Through didactic and experiential methods, therapists will have opportunities to learn how and when to use various modalities with both child and adult play. There is special emphasis on integrating the sandtray with play therapy and verbal therapy. In addition, participants will have opportunities to practice nervous system attunement during play therapy exercises.

**Training Dates:** Please check website – “Training Schedule” – for current dates.

**Backup Plan in Case of Internet Outage:** In the event of internet connectivity problems at the host site, the morning following the last day of the training will be used to fulfill any lost contact hours. We have had very few problems with internet provider connectivity, but it has happened, and so we request that you tentatively reserve the morning date after Part F for possible makeup time. This makeup day is for the entire group, not for individuals to do makeup for missed hours. Please see our [Makeup Policy](#) for further details of this policy regarding missed hours. Full attendance is required for certificates.

**Prerequisites:** Levels 1 & 2; graduate degree in mental health or enrolled in a graduate degree program.

**Continuing Education:** 24 contact hours/6 half days; the Association for Play Therapy (APT) designates interactive online learning as non-contact hours. The APT has stipulated that a maximum of 75 hours of non-contact “live webinars” training may be used for their application process to become a play therapist. This training, if taken online, meets the APT requirement for a “live webinar.” See CE section below for more details.

therapy. The Sand Tray Training Institute of New Mexico follows all CE guidelines and maintains responsibility for the program. The **Association for Play Therapy** accepts online training only as non-contact continuing education hours. All courses meet the qualifications for 4 contact hours of continuing education credit per 1 half day of training (see APT exception).

**APT Policy for Contact / Non-Contact Hours:** APT considers all online training as non-contact CEs. APT has updated their policy as of July 1, 2022, to stipulate that for purposes of application, a maximum of 75 hours of “live webinar” training may be used to meet the 150-hour requirement. Our online trainings meet the APT requirement for a “live webinar.” Please check APT Credentialing Standards, especially standards 06 and 08, for detailed information on continuing education requirements for credentialed play therapists. This document is available on their website, [www.a4pt.org](http://www.a4pt.org). The following statement will appear on certificates of online training participants.

*This workshop meets APT’s definition of a “live Webinar.”*

The APT offers a Registered Play Therapy (RPT) credential that has its own set of specific requirements. Although we are an approved provider, we do not organize our curriculum around those specific requirements, for example, so many hours in play therapy history, theory, skill practice, and so on. We cannot verify how the APT counts these hours in their credentialing. Please check with your supervisor and/or the APT to check with them how they would interpret our objectives and descriptions in terms of the specifics required.

### Checking Your Personal CE Requirements

It is always a good idea to check with your own credentialing agencies (state boards, affiliated agencies, etc.) to ensure that the CE credits you receive from us are applicable to your specific situation. You need to attend the entire training sessions to receive credit. Partial credits cannot be given. In cases of family or other unavoidable emergencies that interrupt your attendance for a short time, makeup possibilities for time missed may incur a fee based on our hourly consultation rate.

### Cancellation and Refund Policy

Registration fees are refundable (less \$50.00 administrative fee & any credit card fees) if written notice is post-marked no later than 30 days before the training begins. Refunds require a minimum 6-week processing time. Registrants may transfer/sell their enrollment to another qualified person at any time. Transfer fee is \$50.00.

The Sand Tray Training Institute reserves the right to cancel a workshop due to insufficient enrollment, inclement weather, instructor illness, instructor family emergency, or some other unforeseen event. Notice will be provided at the earliest
